A black and white photograph of two men in an architectural studio. The man on the left is older, with glasses and a dark sweater, looking towards the younger man. The man on the right is younger, with glasses and a light-colored shirt, leaning over a table and working on a physical architectural model. The table is covered with blueprints, a rolled-up set of plans, and a white mug. In the background, there are computer monitors and studio lighting. The overall atmosphere is professional and collaborative.
